
Executive Order #1

Placing the Class Pass Referendum on the Spring 2013 ASUC Ballot

Whereas: The Class Pass is a vital service that thousands of students use to commute to campus every day.

Whereas: The Class Pass fee is up for renewal this year, and must be voted upon by the student body.

Whereas: The language for the Class Pass fee was submitted for language vetting from the UC Office of the President in February.

Whereas: Final confirmation of the validity of the Class Pass Language was not received until March 8th.

Whereas: The bill was submitted for inclusion in ASUC agenda for the next week.

Whereas: The bill passed through committee on Monday March 18th, however the filing period for the ASUC elections ended on Friday, March 15th.

Whereas: The filing period for the ASUC elections changes calendar date from year to year, and because of this filing deadline the Senate could not add this referendum to the ASUC ballot.

Whereas: Allowing all students to have a vote on campus fees and important student services is a vital part of the democratic process at UC

Berkeley.

Ordered: The Class Pass Referendum on the Spring Regular Election 2013 Ballot read as follows:

“A renewal of the current Class Pass Referendum will continue to provide unlimited student access on AC Transit (including service to San Francisco) and the campus shuttles (e.g. Perimeter & Hill shuttles), including the Night Safety Shuttle, for the duration of the referendum (7 years), effective Fall 2013, with a \$4.50 decrease in the per-semester fee (from 2012 levels of \$78.50 to \$74.00) for the first 3 years, increasing to \$76.00 for the 4th and 5th years and to \$80.00 for the 6th and 7th years. If the Class Pass referendum is not approved undergraduate and graduate students will no longer have unlimited access to AC Transit services and Bear Transit service will be severely reduced. Do you approve of this fee?”
